LOCATION:

Semliki Lodge is situated in the Toro - Semliki Valley Game Reserve. The reserve is bordered by the foothills of the Rwenzori Mountains and Lake Albert, 375km west of Kampala (5.5hour drive). Previously known as the Toro Game Reserve, Semliki Wildlife Reserve is the oldest protected area in Uganda. It's geographic barriers have formed a natural haven for wildlife.

SAFARI FACTS:

Four of the BIG Five are seen in the park (except the Rhino) and with over 425 bird species including the Shoebill that are regularly seen on boat trips on Lake Albert. The Elusive Forest Elephants & Savannah Elephants which are seen regularly on the game drive, are fully co-existing within the reserve and started to interbreed.

A chimpanzee community living in one of the Semliki forests can also be seen during the morning walking safaris which starts at dawn.
